

October 24th, 2022

Dear St. Brigid Families,

The St. Brigid Catholic School Parent Council (CSPC) exists to support student success. One way we do this is by raising funds to give students extra experiences that make in-school learning more exciting, and that help to build their social, athletic and spiritual foundations. Over the past few years, our students have missed out on many fun and rewarding in-person learning experiences. **We want to bring these back and need to raise funds to do so.**

In past years, funds raised by the CSPC have been put towards things like hands on science workshops for classes (*e.g.*, [Scientists in School](#)), transportation for field trips, English and French books for the [Forest of Reading](#) program and our library, celebrations, specialty learning items, and countless other items and initiatives (for a more complete list click [here](#)). We always strive to ensure that the money goes as far as it can and is distributed as equitably as possible.

Prior to 2020, total CSPC funds budgeted per year was equal to about \$60 per student. We hope for a return to this level of activity and are currently low on funds. All donations are confidential, and a charitable tax receipt will be sent to you immediately upon donating. Donations of any amount are encouraged and appreciated – **PLEASE GIVE WHAT YOU CAN!**

[Please give generously by NOVEMBER 15th!](#)

HOW TO DONATE:

- Click on the [CSPC Donation Link](#)
- Choose your donation **amount** (any appreciated; consider \$60 per student if you can)
- **Checkout** as a guest or by signing into your SchoolCash account
- You will receive a charitable tax receipt immediately via your email address

Feel free to share this donation link with family and friends. If you have any questions, don't hesitate to email us at stbrigidcsac@gmail.com or check www.stbrigidcspc.ca.

Thank you for helping us achieve our goals!

Sincerely,

St Brigid CSPC
