CSPC FINANCIAL UPDATE

A general plan for spending of parent funds raised was approved at the November meeting. This information can be found in the [November Minutes](#), along with an update on funds raised.

In addition to funds spent on pizza this past month, CSPC funds have gone to:

- Beaver Computing Challenge (optional grade 5-8 world-wide contest, held Nov 15). Entry fee for 30+ students
- Buses for cross country
- Grade 1-2 scientist visits (December)
- Forest of Reading books, benefits all students
- Mixer and wireless mic for school assemblies/concerts

There are considerable technology needs and some fun learning extras on the wish list for student use this year. We continue to work to determine what can be covered by school and CSPC funds. If you are interested in donating a particular item (Ozobot, new chromebook, other) please get in touch at stbrigidcsac@gmail.com.
